Dear Negus Messe Service Team,

We are pleased to provide our reference and to thank you for your professional work, services and follow up with the project of our booth at the international trade exhibition Tube & Wire 2018 in Dusseldorf, Germany.

We were satisfied with the booth construction, communication process and provided services.

Your design and its realisation were on time and within the expected budget. It was a pleasure to work with the project management as well as with the constructing team.

We will surely come back to you as our contractor for the further exhibitions.

Best regards,

**Head of Public Relations**

**Sergey Babichenko**
